Update with letter for current president

President's Message

Wisconsin FBLA Members and Advisers,

I would like to be the first to say welcome to the 2014 State Leadership Conference! The next few days are sure to be an amazing experience for everyone here. At this conference we have the opportunity to compete with all the best Wisconsin has to offer, explore our potential for leadership, and share our enthusiasm for this incredible organization.

I would urge all of you to get the most out of your State Leadership Conference. Attend all meetings, go to workshops, participate in competitive events, look around the Future Fair, and don't forget to have some fun! Jim Wand the hypnotist will be entertaining us on Monday evening and spend some quality time with your own chapter as well!

It has truly been an honor to serve you as State President for the past year, and I am certainly not excited to say goodbye to all of you on Tuesday. I am looking forward to meeting all of you over the next two days. Enjoy your time here in Appleton as we all aim to show we are the best Wisconsin FBLA has to offer and earn a trip to the National Leadership Conference in Nashville, Tennessee this summer. Let's all put Excellence in Action here at the 2014 State Leadership Conference!

Sincerely,
Chelsea Clark- 2013-2014 Wisconsin FBLA State President

FBLA Creed – same place as last year

I believe education is the right of every person.

I believe the future depends on mutual understanding and cooperation among business, industry, labor, religious, family, and educational institutions, as well as people around the world. I agree to do my utmost to bring about understanding and cooperation among all of these groups.

I believe every person should prepare for a useful occupation and carry on that occupation in a manner that brings the greatest good to the greatest number.

I believe every person should actively work toward improving social, political, community, and family life.

I believe every person has the right to earn a living at a useful occupation.

I believe every person should take responsibility for carrying out assigned tasks in a manner that brings credit to self, associates, school, and community.

I believe I have the responsibility to work efficiently and to think clearly. I promise to use my abilities to make the world a better place for everyone.
